

# ST PETER'S CATHOLIC PARISH

Rochedale Springwood

Since 1974

955 Rochedale Rd, Rochedale

**Twenty-Sixth Sunday in Ordinary Time**

**25th September 2022**

**World Day of Migrants and Refugees**

**Readings:** Amos 6:1, 4-7 1 Timothy 6:11-16 Luke 16:19-31

**Building the Future with Migrants and Refugees**

This is the theme for the 108th World Day of Migrants and Refugees on 25 September, and the title of Pope Francis' message this year. His message opens with this quote: 'Here we have no lasting city, but we seek the city that is to come' (Heb 13:14). That is a 'city that has foundations, whose architect and builder is God' (Heb 11:10). 'His plan calls for an intense work of construction, in which all of us must be personally involved...The tragedies of history remind us how far we are from arriving at our goal, the new Jerusalem.' We must not lose heart in the face of the tribulations of recent times but 'renew our commitment to building a future that conforms ever more fully to God's plan of a world in which everyone can live in peace and dignity.'

Pope Francis: 'God's plan is essentially inclusive and gives priority to those living on the existential peripheries. Among them are many migrants and refugees, displaced persons, and victims of trafficking.' 'Building the future with migrants and refugees also means recognizing and valuing how much each of them can contribute to the process of construction.'

The Australian Catholic Migrant and Refugee Office reflection refers to a passage from Amos about privileged citizens who live in luxury while others suffer. It writes about a similar attitude among some in Australia: preservation of the rights of the privileged at the expense of the disadvantaged. Australia's Plenary Council 'challenged us all to listen to the experiences and wisdom of those on the margins of society and our Church'...in order to 'flourish in our cultural diversity'.

Australia is a multicultural society, comprising First Nations peoples, descendants of migrants and refugees, and those who came as migrants and refugees. Over 50 percent of people are migrants or refugees themselves or have at least one parent who is a migrant or a refugee. Among us are many asylum seekers hoping for permanent settlement. In our area Logan City is culturally diverse, including people of more than 217 ethnicities.

The theme of this day is inclusiveness. That is at the core of policies of multiculturalism, that are not only about celebrating cultural diversity, but also about ensuring equity and the right to participate fully in society, whatever one's cultural background or arrival status. A multicultural community needs to be free of prejudice, embracing inclusiveness and a 'fair go' for all. Whilst migration is a voluntary decision, refugees are forced to migrate by circumstances beyond their control. All have the right to participate in and contribute to society. Australia is yet to realise the economic potential of its diverse population: many migrants and refugees have knowledge, qualifications, experiences, and cultural and linguistic skills that are needed here, but are not recognised or are underutilised in the workforce and in society generally.

Building our Australian society upon the principle of inclusion of people of all cultural backgrounds, in the spirit of our Pope's message, is an important goal. One for which we all, in our Church and communities, share roles and responsibilities.

**Faith Matters: St Vincent de Paul - Feast day 27th September**

**History:** - St Vincent de Paul who was born in 1581 in the French village of Pouy, educated by the Franciscans, he worked to raise money to fund his university studies in Toulouse where he studied theology. He was ordained 1600, years later on a ship in 1605 bound for Narbone, he was captured, brought to Tunis and sold as a slave. Two years later he and his master managed to escape and return to France.

St Vincent served as a chaplain to the Count of Goigny, he was placed in charge of distributing money to the deserving poor. From that point forward he spent his life preaching missions to and providing relief to the poor. He even established hospitals for them. This work became his passion.

**Today:** - The St Vincent de Paul Society is a lay Catholic Organisation that aspires to live the gospel message by serving Christ in the poor with love, respect, justice, hope and joy, and by working to shape a more just and compassionate society. The St Peter's chapter meets on alternate Tuesday afternoons. Please come along if you are interested.

**Prayer:**

*Noble Saint Vincent de Paul, beloved servant of the poor, may we follow your example and do good works. Amen.*

The hand of Christ blesses the cup

The hand of love offers the cup

The hand of suffering receives the cup

**Alpha is starting again:** Over the last 2 years we have hosted Alpha in our parish. It was such a success that we are blessed to now have a team who are prepared to host it again.

Alpha will commence on **4th October in the Parish Centre from 6.30pm to 8.30pm** with FREE dinner and chat. We invite you to come along if you haven't been before. Remember this is not just for Catholics but for anyone who is searching, wondering where they fit into life. It is in a very casual informal friendly environment where we watch a short video and then have a conversation about it. If you know a neighbour, friend or work mate who you feel could benefit from this night please bring them along. They can come to one, some or all 10 of the sessions.

Bookings are essential for catering for dinner and drinks. Please place your name on the board on the Alpha table or phone the Parish Office.

**Season of Creation 2022 - Listen to the Voice of Creation** *The Season of Creation, from 1st Sept - 4th Oct, is a time set aside each year to focus on God's gift of creation and our responsibility to care for it, our common home.*

...There are also the poorest among us who are crying out. Exposed to the climate crisis, the poor feel even more gravely the impact of the drought, flooding, hurricanes and heat waves that are becoming ever more intense and frequent. Likewise, our brothers and sisters of the native peoples are crying out. As a result of predatory economic interests, their ancestral lands are being invaded and devastated on all sides, "provoking a cry that rises up to heaven" (*Querida Amazonia*, 9).
