## St Peters Planned Giving Report November 2022

*In Fellowship the Believers Share their Possessions:*

While reviewing our Planned Giving over the last year we remembered our situation of last October as a time of slowly recovering from the impact that Covid-19 had on our parish generally, and our gifting in particular. We remember Mark's gospel drew our attention to the widow who quietly gave all that she had as a Temple offering, in a singular act of generosity. This year we again pause to reflect on the fellowship of the Apostles (Acts of the Apostles 2:41-47)[Luke] in which whole lives of generosity were being lived by the early disciples and the believers after Jesus' resurrection (Acts 4: 32-35).

*They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. All the believers were together and had everything in common.*

As a Catholic Christian community, we have established a reputation rightly as a community of teaching and of fellowship and prayer through our various ministries. Our commitment to our many ministries acknowledges a shared responsibility for our spiritual life and the spiritual life of others. We live this responsibility in common with others in supporting the work of our shared St Peter's home and our ministry more broadly to those in need. We welcome new members into our Catholic community, to our Parish community to share our spirit of generosity.

Since the establishment of St Peter's Parish in 1974 we have experienced wonderful support from our parishioners across a range of endeavours to enable us to fulfil our mission as a Catholic community. Fr Baiyi joins the Planned Giving Group in acknowledging this generosity and encourages all parishioners to review their gifting in support of parish needs.

Gifting is constituted in many forms: spiritual; material; acts of generosity; generosity of spirit. In terms of financial support, we rely on the example of the widow when we join Fr Baiyi in encouraging all to care for our parish family by giving according to what we are able to give, after caring for our own family in the first instance. In moving beyond the Covid era constraints we ask all parishioners to review and if possible readjust our giving commitment.

The Planned Giving Team will today outline the range of options available for regular giving to assist you to identify the method that best suits personal situations. Check out the weekly newsletter notice for details of the options available and identify the best option for you and your family. It is not too late to become a member of the Planned Giving Program. Personal information relating to any gift and credit card details are treated in strictest confidence.

## Faith Matters: Saint Josaphat (c.1580 - 1623)

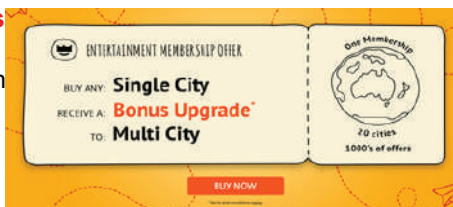

There are a lot of great saints that we know very little about. St Josaphat, whose feast day is November 12th, is one of those saints. He was born in the Ukraine of Orthodox parents. In 1595 the Union of Brest brought the Ruthenian Church into communion with Catholic Rome while still preserving its own liturgy. The result was a schism within the church itself, with one party wanting to remain Orthodox and in the orbit of Moscow and Constantinople, while the other accepted the Union.

Josaphat joined the first monastery of the order of St Basil to be united to the Catholic Church: he was the first person to do so. He was ordained priest and, eventually and reluctantly, appointed bishop of Polotsk in 1617. Although Sigismund III Vasa, King of Poland and Grand Duke of Lithuania, supported the union, the local aristocracy were against it because it threatened their control of ecclesiastical benefices. Plotting with the Orthodox Patriarch of Jerusalem, who visited the Ukraine in 1621, they stirred up trouble and as a result Josaphat was murdered by a mob in 1623 while on a pastoral visit to Vitebsk.

Do you require professional renewal, or are you seeking a retirement challenge? Communities abroad are asking for qualified and experienced Australians able to mentor their people in education, health, administration, trades, agriculture and more. Imagine yourself re-engaging your vocational passion in Africa, Asia or the Pacific. Since 1961 Palms Australia has been recruiting Australians able to offer mentoring that will allow overseas counterparts opportunities otherwise unattainable. Sharing your skills will strengthen the capacity of workers overseas to serve their communities for generations to come, long after you return home.

Communities in American Samoa, Cambodia, Kiribati, Papua New Guinea, Samoa, Solomon Islands, Tanzania, Thailand, Timor-Leste, and Zambia are seeking to fill a variety of roles. Enquire about those roles via [www.palms.org.au](http://www.palms.org.au) or by calling 02 9560 533 or 0422 472 567.
